Teaching profession is considered to be the pivotal part of any educational system in a country. The prime focus of the department is to provide human capital in the field of education as teachers, educators, educational leaders and researchers. In the near future, the department

of education aims to recognize itself at both national and international level by the virtue of innovative methods of teaching and learning, emerging instructional and research techniques with dedication to promotion of quality education in Pakistan in general and in Balochistan in particular.

Initially, the department is offering BS (Education) in morning shift. After having successful completion of the Program, the graduates will pursue a career in education and teaching. They will be eligible to work in the field of management as education officer and in administration. They will also be able to work as educationists, lecturers, supervisors, curriculum developers and policy makers. Furthermore, the study material will also help them in preparing for the competitive exams like PCS, CSS, etc. Additionally, they will get an opportunity to register for higher studies like MS (Education) and PhD (Education).
