Memorandum of Understanding

Between

**China University of Mining and Technology (CUMT)
Xuzhou, China**

And

**Balochistan University of Information Technology, Engineering and
Management Sciences (BUITEMS)
Quetta, Pakistan**

The memorandum of understanding (MOU) establishes the following:

FIRST - OBJECTIVE OF THE AGREEMENT

To establish and develop a cooperation as a mutually beneficial relationship which aims at exchanging students and academic staff as well as jointly pursuing original and applied research of mutual interest.

SECOND-FORMS OF COOPERATION:

The parties agree to provide opportunities, as appropriate, for the following activities towards the implementation of the objective of this MOU.

1. Exchange of experience in scientific research and training of faculty members
2. Participation in research programs with respect to the intellectual property and in accordance with regulations of the law respectively of each of the parties involved.
3. Exchange of undergraduate and graduate students with the objective of enrolling students in courses appropriate to their years and areas of study.
4. The parties agree that units (schools or faculties) undertaking a particular task under the scope of the agreement will enter into bilateral contracts. Such contracts will specify the details of the cooperation and the amount and source of financing for given common enterprise.

THIRD – SCHOLARSHIP FOR THE STUDENTS FROM BUIITEMS

1. CUMT offers scholarship opportunities for students of mining engineering from BUIITEMS. The Chinese government scholarship offers one (1) available place every year for graduate students/PhD candidates and the CUMT scholarship constitutes the remaining five (5) places every year, bring the scholarships to the total of six (6) in the respective fields of Mining, Safety, Mineral Processing and Geotechnical Engineering at CUMT.
2. Scholarship candidates shall be BUIITEMS full time registered students/faculty members and meet the requirements of both the China Scholarship Council (CSC) scholarship and the CUMT scholarship.

FOURTH- COORDINATION, DURATION AND TERMINATION OF MOU

1. This agreement is written in English and shall be in force for a period of five years from the date of signing and is subject to revision or modification by mutual consent. It is further understood that the university wishing to depart from the agreement shall, wherever possible, give six months' notice of its intention to do so.
2. On the side of CUMT, the program is coordinated by the deputy director of International Office, Mr. WANG Wenjie (No. 1, Daxue Road, Xuzhou, China 221116, Tel: +86-516-83592009, wangwj@cumt.edu.cn).
3. On the side of BUIITEMS, the program is coordinated by the Chairman, Department of Mining Engineering, Prof. Dr. Syed Mohammad Ali Shah, (Tel:+923009373608, email:drshahma@hotmail.com)
