Finance & Accounting for Non-Financial Executive:

Financial skills are fundamental to any managerial position. Learn how to think finance, and you'll expand your career opportunities. From accruals to write offs to receivables and payables, this workshop shows non-financial managers the concepts, tools, and techniques that can help make each decision pay off.

Course Methodology:

Through highly interactive lectures, exercises, and case studies, both in the classroom and in smaller work groups, this program will show participants how to interpret financial statements and how to calculate the value of income and payments, and to evaluate projects based on cost and revenue implications.

Who Should Attend?

This program is designed for non-financial managers in every functional area of responsibility in all industries.
