

Result Based Management & Monitoring:

Results Based Management (RBM) is a critical factor in ensuring the success of a project. It ensures that all aspects of designing, implementing and monitoring and evaluating a project is done transparently and in a manner that ensures accountability. This RBM course strives to teach development practitioners with the essential skills that will help them in making better decisions throughout the project life.

Course Methodology:

Emphasis will be on Practical skills. Plenary presentation & group work with the use of templates, and practical tools will be supplemented with knowledge transfer activities that each participant will develop and implement in their work.

Who Should Attend?

This training is suitable for program and project managers, the Heads' of Department, project officers and their assistants from Government, NGOs, CBOs, and individuals interested in working in the development sector.
