Memorandum of Understanding
between
Balochistan University of Information Technology, Engineering and Management Sciences (BUTEEMS), Quetta, Pakistan and
Middle East Technical University (METU) Ankara, Turkey

1. This Memorandum of Understanding is made and entered into by the Middle East Technical University, Ankara (Turkey) and Balochistan University of Information Technology, Engineering and Management Sciences, Quetta (Pakistan) in furtherance of their mutual co-operation in Teaching, Research and Scholarships.

2. The purpose of this Memorandum of Understanding is to establish a framework within which co-operation may be developed between both Universities in reference to the following:
   a. Exchange of students and staff
   b. Collaboration of institutions with respect to Post Graduate degree programs
   c. Participation of faculty and students in seminars, conferences and academic meetings
   d. Cooperation in a variety of academic/research projects and faculty development
   e. Holding collaborative training programs
   f. Explore ways and means for the transfer of technologies

3. The terms and conditions for undertaking this Memorandum of Understanding with reference to specific program or activity will be mutually agreed upon in writing by both parties before initiation of the particular program or activity. Such agreement(s) once signed by the authorized signatories on behalf of the participating parties, will be incorporated as a schedule to this Memorandum of Understanding.

4. Both parties shall designate a focal office for this Memorandum of Understanding and for any subordinate agreement(s) under this Memorandum.

5. This Memorandum of Understanding shall remain in force for a period of two (2) years from the date of last signatures of the authorized signatories.

6. This Memorandum of Understanding may be modified by mutual consent of the participating parties and may be terminated on three (3) month’s advance notice in writing.
