Balochistan University of Information Technology
Engineering & Management Sciences

Our Vision

To be among the leading universities of the world -accessible to all, imparting quality education and promoting cutting edge research.

Mission Statement

At **BUITEMS**, we are committed to providing quality education with focus on research and to equip students with the art of living as productive members of society, contributing to the socio-economic uplift of Pakistan in general, and Balochistan in particular.

Our Goals

- X To provide outstanding academic programs that further strengthen our performance, pre-eminence and efficiency.
- X To provide an excellent teaching and learning environment to students to reach a level that matches the atmosphere prevailing at best universities in the world.
- X To raise revenues from partnerships, research grants and technology transfer while strengthening our ability to more effectively invest and allocate resources for education.

Our Core Values

- Accountability:** We are committed stewards of the human, fiscal and physical resources entrusted to us.
- Diversity :** We recognize that diversity leads to excellence, enhancing our teaching, scholarship and service as well as our ability to respect and interact with people.
- Integrity :** We practice honesty, truth and integrity in all that we do.
- Respect:** We treat each other with civility, dignity and respect.
- Social responsibility:** We contribute to intellectual, cultural, spiritual and economic well-being of the society.

Editorial

Our vision at BUIITEMS is, “to be among the leading universities of the world accessible to all, imparting quality education and promoting cutting edge research”. We know that BUIITEMS had to and yet has to pass through many levels of testabilities to have the characteristics of a world class university. But having found support all along and encouraged by our society, we are confident that we are on the right course. The most important initiative was to organize ourselves as a team to meet the challenges of building an institution which fulfills the basic requirements for empowerment of our youth. Once we achieved those objectives, we now had to proceed from there to the higher levels encouraging innovation and development activities as a policy.

In pursuit of our Mission Statement, which says that “At BUIITEMS, we are committed to providing quality education with focus on research and to equip students with the art of living as productive members of society, contributing to the socio-economic uplift of Pakistan in general, and Balochistan in particular”; we needed to equip our students with leadership attributes, believing that our alumni have to stand up in support of nation building as confident members of the society. Our convocations give us new sense of elation, when our young men and women rise up to take their responsibilities in the nation building. We realize that quality education is the key for the required change all of us seek and surely, it can be brought through progressive institutions.

Acting as a catalyst for a major social change, BUIITEMS believes in pursuing educational reforms aggressively.

BUITEMS First Decade Celebrations

Reported By: Aqsa Maryam

The world 'Teacher's Day' celebrations on October 5 coincided with BUITEMS 10th Anniversary. As BUITEMS students, faculty members, administration and other prominent persons gathered in the Arfa Karim Randhawa Expo Center, Takatu campus, every face was gleaming with joy and pride. The celebrations were organized under the official mascot of BUITEMS 'The Ibx' (*Markhor*) on banners of celebration. The event turned out to be an extremely jubilant celebration as all five faculties and the administrative staff brought cakes, summing up to many pounds of sweetness and merriment.

The participants were officially welcomed through a short skit performed by a group of students under the directions of Dr. Sadiq Bugti from FICT. The Vice Chancellor BUITEMS addressed the audience and congratulated everyone who contributed to the success of the University.

Vice Chancellor cutting the Cake

Students presenting dramas at the decade celebration

The event commenced with recitation of verses from the Holy Quran and Na'at.

He called all those, who had been a part of BUITEMS for the past ten years, on the stage. Their efforts and consistency were commended along with a warm welcome for the newer members of the family.

The BUITEMS Dramatic club recapitulated some of the refreshing episodes from the past, incorporating them into a short drama performance. The event ended on a lighter note of joy. But the celebrations didn't stop there. The festivities reached a climax when the Vice Chancellor and the top echelons of the university cut the cakes and all had delicious, hefty bites.

BUITEMS 8th CONVOCATION

Reported by: Umer Khalid

The holding of the 8th convocation was a milestone in the history of BUITEMS as the event took place at a time when the University had just completed 10 years of its journey. On December 26, 2012 the shining and happy faces of the graduating students, their parents and organizers were all steeped in joy. The colors of graduating gowns worn by the students added a peculiar brightness to the atmosphere of the convocation ceremony.

The cold weather had a bracing effect on the moods of those attending the ceremony. The Hon'ble Governor Balchistan, Nawab Zulfiqar Ali Magsi who is also the Chancellor of the University was the Chief Guest of the convocation. The convocation festivities started when Vice Chancellor, Ahmed Farooq Bazai and members of the University Syndicate received the Hon'ble Chief Guest and joined the convocation procession.

The congregation entered the hall marching to the tunes played by the band. The formal proceedings started with the recitation of Holy Quran followed by the recital of a na'at. Vice Chancellor Ahmed Farooq Bazai in his welcome address talked about the 10 years journey of BUITEMS, narrating the salient developments from the past when BUITEMS took a start with only 90 students in two programs of study as compared to today when more than 6000 students are enrolled in 32 study programs. He highlighted the steps taken to keep up the standards of university through exerted efforts.

Chancellor, Vice Chancellor and others

He congratulated the graduating students and wished them best of luck in their professional careers. Talking about the impact of BUITEMS on national development, he highlighted the importance of research and development and implementation of standard operating procedures for which he paid rich tributes to his team.

Ahmed Farooq Bazai

Vice Chancellor specially thanked Governor Balochistan, the Provincial Government and HEC for their all-out support in ensuring development and smooth operations of University functions. Vice Chancellor also thanked the faculty, administrative staff and syndicate of BUITEMS for their hard work and dedication; he also congratulated Mr. Faseih Iqbal on the award of Honorary Degree of Doctor of Philosophy for his public services in the field of Mass Communication.

After the welcome address, degrees were awarded to graduating students in the fields of Computer Engineering, Computer Science, Textile Engineering, Electronic Engineering, Telecommunication Engineering, Biotechnology & Informatics, Environmental Management and Policy, Business Administration, and Arts and Basic sciences.

Degree being awarded to a graduate

Badges of Honor were awarded to seven students while sixteen students were awarded gold medals.

Honorary Degree of Doctor of Philosophy was conferred upon Senator (R) Syed Faseih Iqbal. He is the longest serving editor/publisher of the country. He is amongst the first members of the Press Council of Pakistan. He held high offices in national and international media organizations. In a long public service career, Syed Faseih Iqbal has remained an active member of top management of various national institutions and has extensively contributed for promotion of academics and research in the country. He has also established a charitable trust namely 'Balochistan Foundation Trust'.

Syed Faseih Iqbal was elected as Senator for two consecutive terms. He has represented Pakistan on numerous international forums. In recognition of his meritorious services, President of Pakistan conferred upon him prestigious National Civil Award Sitara-e-Imtiaz (S.I) and the highest National Civil Award 'Hilal-e-Imtiaz' (H.I). He has been conferred upon 'Life Time Achievement Award' by APNS, 'Muslim Eminent Journalist Award' by Kingdom of Saudi Arabia, 'Pakistan Freedom Movement Gold Medal' by Nazaria-i-Pakistan Trust and 'Human Rights Award' by Human Rights Commission of Pakistan. He is widely hailed as Balochistan's Ambassador-at-large.

Syed Faseih Iqbal is being awarded the Honorary PhD Degree

Chief guest Governor Balochistan Nawab Zulfiqar Ali Magsi in his Presidential address commended the accomplishments of the Vice-Chancellor and the learned faculty of BUIITEMS for creating a difference by adding value through grooming students into useful and competent assets for the nation.

Governor Balochistan expressed his resolve to continue extending all possible support to BUIITEMS in maintaining International standards.

Governor Balochistan, Nawab Zulfiqar Ali Magsi, announced cash awards of fifty thousand rupees for each winner of Badge of Honour and one hundred thousand rupees for each Gold Medalist.

10th Anniversary Art Exhibition

Reported by: Haleem Khan

The Department of Fine Arts contributed to the 10th Anniversary celebrations of BUITEMS by holding an exhibition showcasing the work of BUITEMS talented students.

Vice Chancellor Inaugurating the Art Exhibition

Vice Chancellor, Ahmed Farooq Bazai, inaugurated the exhibition in the presence of Director Fine arts and the faculty. The show was highly appreciated by the teachers and students alike. It was an opportunity for the students of the department to bring their work to lime light at a group show. The student artists highlighted and explained the techniques and the thought processes involved in their work.

Cricket Matches Marking the Decade Celebrations

Reported By: Dara Shikoh

Two cricket matches were played on 6th of October, 2012 as part of BUITEMS 1st Decade Celebrations. The first match was between the Administration and Faculty.

Vice Chancellor dispatching the ball to the boundary

It was highly stimulating to see people with grey hair and beards, energetically reviving the spirit of youth on the playground. It was a twelve over match which produced some scintillating performances. Led by the Vice Chancellor, Ahmed Farooq Bazai, the Administration won the toss and asked the Faculty to bat first. The Academicians managed to reach a total of 91 runs, with Dr. Shoaibullah Khan and Dr. Aftab Ahmed stealing the limelight.

The Administration side showed better batting prowess and achieved the target of 92 runs in the 10th over. Outstanding performances of the Vice Chancellor and other senior administrators steered the Administration team to victory.

Prof. S.M Niazi in action

The second match of the day was played between younger teams from the Administration and Faculty. Dr. Sadiq Bugti was the captain of the Faculty team while the administration team was led by Mr. Muhammad Ajmal Khan. After an interesting and cheerful competition, the Administration team carried the day.

BUITEMS Annual Report 2011 Launched

Reported By: Prof. Sultan Mahmood Niazi

Keeping the brilliant traditions of excellence alive, BUITEMS launched the introduction of Annual Report 2011 at a Press Conference held on October 5, 2012. The event coincided with the celebrations marking the completion of 10 years of services of dedication and commitment to the cause of education in the country.

A large number of press and electronic media representatives gathered in the spacious training room of the Takatu Campus. Besides the Vice Chancellor, Ahmed Farooq Bazai and Mr. Dostain Khan Jamaldini, a founding member and the first Registrar of the University, prominent administrative officers, Deans of Faculties and Chairpersons of the Departments were also present on the occasion.

Annual Report 2011

The proceedings commenced with the recitation of verses from the Holy Quran after which Vice Chancellor BUITEMS, Ahmed Farooq Bazai welcomed the media people to the ceremony. In his welcome speech, he high-lighted the salient landmarks achieved by the university during the first decade since its establishment in 2002.

He urged the media representatives to visit various sections of the University, interact with the students and to gain first-hand information from 'the horse's own mouth'. The introductory remarks about the working and achievements of the University were supplemented by showing a video documentary depicting various facets of the facilities and functions of the University.

No student from Balochistan meeting the minimum academic requirements and

clearing the admission test is denied admission in one of the thirty two programs of study offered by the University.

College Teachers Visit BUITEMS

Reported by: Dr. Shoaibullah Khan

A delegation comprising 37 College teachers undergoing professional training at the Balochistan College Teachers Academy, visited BUITEMS on October 3, 2012. The delegation was headed by Prof. Asif Akhtar, Director of the Academy.

The group was received by Mr. Abdul Qadeem Kakar, Additional Registrar, BUITEMS and was escorted to the Vice Chancellor's Secretariat where they were welcomed by Dr. Mohammad Nawaz, Registrar and Prof. Sultan Mahmood Niazi, Director Communications. The group was then taken on a round to different units of the University.

Vice Chancellor briefing the delegation

Vice Chancellor, Ahmed Farooq Bazai addressed the group in the Training Hall of the New Academic Block and exchanged views on matters of mutual academic interest with them. They were shown BUITEMS introductory video depicting salient features of the functions and developments of the University. Director, College Teachers' Academy and the Vice Chancellor BUITEMS exchanged shields of their respective organizations as a gesture of mutual goodwill.

Songs Competition

Reported By: Abbas Shah

Every year BUITEMS Student Affairs Department organizes several competitions within and outside the campus in order to identify and polish the hidden potentials of students. This year BUITEMS completed its 10 years journey and celebrated its 10th anniversary on October 5, 2012.

In this connection, a Songs Competition was organized on October 2, 2012 under the theme of BUITEMS 10th Anniversary Celebrations. More than 35 students from different departments participated in the competition and six of them qualified for the final round.

The following were adjudged to be the position holders at the final round of the competition.

- **Daniyal BS (Biotechnology)** *First*
- **Arsalan Khan BS (Economics)** *Second*
- **Shamim BS (Geological Engg.)** *Third*

Mr. Kamran Sani, Assistant Professor, FICT, Mr. Masood Bazai, Lecturer, F.O.E, and Mr. Kamran Sami, Lecturer F.O.E were the judges for the competition. Student Affairs Coordinator was also present on the occasion.

A group of students performing in the event

Visit of National Computing Education Accreditation Council (NCEAC)

Reported By: Dara Shikoh

The National Computing Education Accreditation Council (NCEAC) team comprising Dr. Imdad Ali Ismaili Professor & Pro-VC, University of Sindh, Jamshoro and Dr. Zaheeruddin Asif, Program Director, Department of Computer Sciences, Institute of Business Administration, Karachi visited BUITEMS, for the purpose of Accreditation of BS (CS) and BS (IT) programs.

The team evaluated the over-all working of the institution in respect of quality of education and academic standards. Mr. Ihtisham Sajid from the Department of Computer Sciences and Mr. Kamran Sani from the Department of Information Technology delivered presentations regarding the academic functions of their respective departments.

The Directorate of Quality Enhancement and Accreditation (QE&A) facilitated the team during the accreditation visit.

Space Exhibition held in BUITEMS

Reported by: Mohammad Shah Khan

A space exhibition was held at BUITEMS in collaboration with SUPARCO on October 9, 2012. The models displayed in the exhibition, were the main attraction of the World Space Week. A large number of students, besides the faculty members, visited the exhibition and showed keen interest in the models.

The exhibition was meant for promoting awareness and information about space and the relevant scientific development.

The Vice Chancellor, Ahmed Farooq Bazai, Mr. Imran Iqbal, Member SUPRICO, students and faculty members of the University visited the exhibition and inspected the models displayed there. They appreciated the quality of models on display at the exhibition.

The organizers responded to the questions of the students regarding the progress in science and technology especially about space.

Vice chancellor visiting a stall

Vice Chancellor advised the students to get latest information about the advancements in space technology in order to be ready for taking up their responsibilities in future.

WORLD SPACE WEEK-2012

(Space for Human Safety and Security)

Reported By: Sameen Khan

BUITEMS and SUPARCO organized the "World Space Week" event from October 9-11, 2012 at Takatu Campus, BUITEMS. The theme of the event was "Space for Human Safety and Security". Vice Chancellor BUITEMS, Ahmed Farooq Bazai was the Chief Guest of the event.

Students observing a model

The chief guest accompanied by Mr. Imran Iqbal, SUPARCO Member, inaugurated the event in which students from different schools

of Quetta city participated. Various activities including Water Rocket Competition, Declamation Contest, Quiz Competition and Astronomy Night were held on the occasion.

Students preparing themselves for rocket competition

Mr. Imran Iqbal briefed the students on the importance of space technology and space studies. He appreciated BUITEMS' valuable contribution in the propagation of quality education in the province.

Students, teachers, media personnel and other officials highlighted the relations between BUITEMS and SUPARCO and acknowledged the efforts of SUPARCO in Pakistan.

Mr. Mohammad Shah Khan thanked SUPARCO representatives for their valuable participation in the event. At the end of the three day activities, Member SUPARCO, Mr. Imran Iqbal distributed prizes, shields and certificates among students and officials.

Fostering Business Sustainability for Competitiveness in Pakistani SMEs

Reported by Dr. Abdul Raziq

The Directorate of Human Resource Development, BUITEMS organised a post training seminar for BUITEMS faculty members on October 25, 2012. The theme of the seminar was mainly focused on sustainability and other relevant concepts with respect to Pakistani SMEs.

The seminar started with the recitation from Holy Quran. Around forty five (45) faculty members including Dr. Mohammad Nawaz, Registrar BUITEMS were present in this seminar. Vice Chancellor BUITEMS, Ahmed Farooq Bazai was the Chief Guest on the occasion.

Seminar about SMEs in progress

Dr. Abdul Raziq in his presentation introduced the objectives of said Australian Leadership Award Fellowship (ALAF) program and also briefed the audience regarding the contents and methodology of the said program. He also highlighted the issues and challenges faced by SME's in Pakistan. Ms. Mussrrat Karamat Ali, in her presentation at the seminar, highlighted the basic concepts of sustainability and the importance of sustainability, while Mr. Ghulam Mujtaba Junejo gave a presentation on the concept of sustainable development and sustainable business sustainability models. Ms. Ammarah Ahmed focused on lessons learned from Australian sustainability leaders. Mr. Mohammad Shah Khan presented a business case for sustainability in Pakistani SMEs.

After the presentations, the chief guest of the seminar Vice Chancellor BUITEMS, Ahmed Farooq Bazai shared his views with the participants.

BUITEMS and PIM Sign MoU

Report by: Muhammad Shah Khan

A Memorandum of Understanding (MoU) was signed between BUITEMS and Pakistan Institute of Management (PIM) consequent upon the visit of Director PIM, Mr. Abid Hussain Sabri to BUITEMS on November 07, 2012. Under this MoU, BUITEMS and PIM will jointly organize management trainings in Quetta for the managers/officers of public/private sector departments/organizations in Balochistan. The MoU was signed by Vice Chancellor BUITEMS, Ahmed Farooq Bazai and Mr. Abid Hussain Sabri, Director PIM. This step has paved the way for enhancing the management skills of managers/ officers and is expected to contribute to fostering better management

practices in public/private organization in Balochistan. The first training program under the MoU will be conducted in March 2013.

The Vice Chancellor presented the BUIITEMS shield to Mr. Qaiser Iqbal, leader of the visiting group. This gesture of good-will was reciprocated by the group leader.

AIT Workshop for Master Trainers

Reported by: Ms. Sadiqa Ramzan

A three week training workshop on “Ensuring Training Effectiveness” was held for the fourth batch of Advanced MT-FPDP (Master Trainers Faculty Development Program) in Bangkok, Thailand from November 26-December 14, 2012. The training was a collaborative project of HEC, Pakistan and AIT Extension, Bangkok. Majority of the resource persons were from AIT Extension Bangkok, while the participants were from different Pakistani universities. Miss Sadiqa Ramzan Ali, Lecturer Department of English participated from BUIITEMS. The resource persons shared their experiences and introduced different theories and modalities related to their respective modules.

The participants were assigned individual and group tasks and activities which created an aura of empirical learning, leading to effective professional development. The training program also included some study visits and recreational trips. The participants were taken to Bangkok University, Thammasat University, Rangsit University, AIT Extension Bangkok and NECTEC Bangkok, as a part of their training. The recreational trips included visits to The Grand Golden Palace Temple, Indra Market, Baiyoke Hotel (The Tallest Building in Bangkok) Future Park and Nong Nooch Park

Pattaya. On the final day the participants presented their group projects and received effective feedback. Mr. Fazle Kareem Head, Information Technology & Engineering, AIT Extension Bangkok, shared his views on faculty development and distributed certificates among the participants.

Face-Off Exhibition held at BUITEMS

Reported by: Kaleem Khan

'Face Off' is an Artists' Camp of dedicated individuals aiming to discuss, understand and reflect upon the phenomenon of Terror and its consequences. The Artists' Camp was organized jointly by Hunerkada, Quetta and Directorate of Culture, Government of KPK Pashtoonkhwa, at BUITEMS from 27th to 30th November, 2012. Theme of the camp was: "Terrorism and its Consequences." Students of Fine Arts from BUITEMS, UoB and SBKWU took part in the camp. The exhibition was inaugurated by the Vice Chancellor Ahmed Farooq Bazai. He was deeply impressed by the works of art that brought back so many dark memories of sad incidents that had taken place in the city. The Vice Chancellor encouraged the students to take part in activities aimed at restoring hope and emphasized on creating awareness about the importance of peace amongst communities. Teachers and students appreciated the exhibits which were displayed. The camp brought together renowned artists from various fields to share their understanding of the subject and to explore newer means of expression for initiating a dialogue for peace in society.

Annual Prize Distribution Ceremony

Reported by: Sameen Khan

BUITEMS provides the students ample opportunities to demonstrate their excellence in co-curricular and sports activities in order to groom them into confident and productive citizens. A prize distribution ceremony was held on December 25, 2012 to honor all those who proved their mettle and illumined the name of their departments and of their University in co-curricular competitions and contests at provincial and national levels.

Vice Chancellor BUITEMS, Ahmed Farooq Bazai was the Chief Guest of the ceremony. Ms. Noreena Kakar of BS (English) and Mr. Munir Ahmad Khan conducted the proceedings of the prize distribution ceremony while Mr. Mohammad Naveed Mukhtar of BS (Civil Engineering) and Ms. Sameen Aslam of BS (Physics) conducted the award ceremony in Sports category. The event started with the recitation of the Holy Quran by Hafiz Muhammad Ayub of BS (Geological Engineering).

This was followed by the recital of a Na'at by Mr. Qasim Ali. The recipients of prizes in various events were:

Quaid’s Birthday Celebrations

Reported By: Umar Farooq

A special ceremony was held to pay homage to the father of Nation, at Command Headquarters Southern Command to celebrate Quaid’s Birthday in Bilal Auditorium Quetta Cantonment on December 29, 2012. Syed Faseih Iqbal, Ex-Senator and Editor Balochistan Times, was the chief guest of the event.

Quaid's Day Celebrations participants

BUIITEMS was also invited to participate in the event and more than 30 students along with Student Affairs Coordinator participated.

Mr. Mohammad Bilal Iqbal of BS (Petroleum & Gas Engineering) took part as a debater and delivered a speech on the topic; “Quaid-e-Azam Aur Aaj ka Pakistan”. He got standing ovation from the audience.

Prof. Dr. M.A.K Malghani was the guest speaker of the event. He shared his views as an eyewitness when Quaid-e-Azam Mohammad Ali Jinnah visited Quetta. He elaborated the personality of Quaid-e-Azam as a Leader.

At the end Senator Faseih Iqbal distributed certificates and shields among guest speakers and participants.

Success Stories of BUITEMS Alumni

www.buitms.edu.pk

Beenish Khushnood

*Assistant Commissioner
Inland Revenue Services*

Allah Almighty blessed me with distinction and an enviable position. It is because of hard work, prayers of my parents and above all by Almighty's mercy and kindness that I was able to achieve my aspirations.

Beenish Khushnood

I succeeded in securing one of the top 20 positions in Intermediate; was given scholarship in BS Computer Engineering Fall 2003-2007 Batch and received my first gold medal from the president of Pakistan.

BUITEMS reshaped my outlook towards life by providing me prospects that I had always craved for. Being a part of the Debating Society of BUITEMS I put in my best efforts to win Inter-departmental and Inter-university contests for my university. BUITEMS provided me the opportunity to host both formal and informal functions with my fellow students and teachers. I was also assigned the responsibility of organizing BUITEMS first TAKATU GALLA where I worked under the guidance of late Dr. Usmani (Chairman).

I was the host of the evening and winner of inter university English debate contest. The success of that first event opened many other prospects. I had the honor of being a part of organizing committee of many events including the Job contest arranged in 2005 and the Drama Night arranged by Dramatic Society the same year.

In the final year of BS Computer Engineering our team grabbed a bigger opportunity by working on one of the newest technologies bought by PTCL from China "Next Generation Network" system. Our external coordinator for this project was Syed Usman. Our final project received the due recognition in terms of the hard work and innovation.

I was the resource person for CSS preparatory classes for CSS 2009 at the Balochistan Officer's Academy. I also assisted Higher Education Commission as a resource person in foundation course held at Law College, Quetta where 150 plus intermediate students were prepared for admission to prominent Pakistani universities. On the basis of my academic and extracurricular achievements I was awarded Provincial Youth Award in 2008 by the Department of Youth Affairs, Government of Balochistan.

I stepped forward for the public service in 2008; months after completing my degree successfully from BUITEMS. I belong to the fraternity of the Inland Revenue Services of Pakistan and gained distinction because of my pro-active approach towards work. I was posted in Chief Commissioner Regional Tax Office, Lahore on attachment for a period of five months. Later I was posted in the Chief Commissioner's office in October 2011. The eight months period from October-June 2012 marked a successful phase for Regional Tax Office, Lahore.

I look forward to meeting, with courage and confidence the challenges that life may have in store in future.

Yasir Ishfaqe
 Customer Support Engineer
 Brussels, Belgium

I completed my BS in Computer Engineering from BUIITEMS in 2007. I started working in BUIITEMS as Lab Administrator/Network Engineer, and University's Newsletter designer under work and study program of BUIITEMS.

Yasir Ishfaqe

I was always very passionate about Computer Networks, and wanted to pursue my career in networking field. I kept working on my Cisco Certification.

By the time I was in 8th Semester, I had almost trained myself at CCNP level, and before Convocation, cleared CCNA, and prepared for final papers of CCNP.

After graduation I continued my studies and completed my MS in Engineering Management from UET Texilla. Simultaneously I completed CCNP, CCIP, and CCIE. Doing MS/CISCO Certifications/ and my job at the same time was quite demanding but my motivation kept giving me energy.

In 2010, I resigned from my job to finish my CCIE LAB. I passed my first CCIE in Routing and Switching in 2010 and started my career in Dubai as Network Engineer.

In 2011, I was offered a Job in CISCO Systems, Belgium on the Service Provider Team. I completed my second CCIE in Service Provider in 2012, and am currently working in Cisco Systems Belgium, as Customer Support Engineer. I am currently studying for CCDE (which is another certification from Cisco in Network Design and Implementation).

BEEC

BUITEMS Executive Education Center

BUITEMS Executive Education Center (BEEC) is the first Center of its kind in Balochistan with a mission to partner with organizations to develop their human resource by providing practical corporate educational solutions to produce tangible results aligned with the organizations' strategy.

BUITEMS and Pakistan Institute of Management (PIM) have joined hands together to enhance the management skills of managers/officers and contribute positively to help foster better management practices in public and private organizations.

Training Calendar March to July, 2013

COURSE	MARCH	APRIL	MAY	JUNE	JULY
Workshop on Project Management	11-15				
Management Course for Junior Executives		01-05			
Skills in Administration			28-31		
Effective Letter, Reports & Presentations				24-28	
Effective Project Proposals					01-03

BEEC offers, in collaboration with **PIM**, a range of options to meet the specific needs of organizations and executives:

- **Customized Programs** for organizations are designed to strengthen executive skills in specific ways. Working with you, we create a curriculum tailored for your organization's unique mission, goals, and timelines, and the realities of your market and environment.
- **Open Enrollment Programs** enable individual professionals to build skills, expand networks and deepen business and leadership acumen. Topic areas range from leadership to successful negotiations, financial management to HR and strategic management.
